**HOUSING AUTHORITY OF THE CITY OF PUEBLO
PROPOSED SCHEDULE OF SALES AND SERVICES TO RESIDENTS OF
MINERAL PALACE TOWER, UNION PLAZA AND RICHMOND SENIOR APARTMENTS
2026**

POLICY FOR CHARGING A RESIDENT

Housing residents will be charged for repairs to the resident's unit or other Housing property in the development caused by the resident or guests as a result of abuse, misuse or negligence. **There is no charge for normal wear and tear.**

The resident will be charged for work requested that is not a "necessary" repair of leased premise, such as replacing door locks when locks are not damaged.

The resident will be charged a \$25 service call for a technician going out on a false report of an emergency. For example: reporting a gas leak as an excuse to get a technician out to repair a non-emergency item. **Plugged sinks, tubs, and toilets are considered emergency items only on weekends and holidays.**

Residents will be charged for cost plus HACP labor or contract cost plus HACP labor on any items not identified.
